Sir:

The original Letters Patent document issued from the above-identified application contains an error in that the name of the assignee is incorrectly listed as "**Candescent Intellectual Property,**" instead of "**Candescent Intellectual Property Services, Inc.**"

In this connection, we wish to bring to the Examiner's attention the fact that **Candescent Intellectual Property Services, Inc.** is the correct name of the assignee as evidenced by the enclosed copy of the Notice of Recordation of Assignment Document.

Due to a typographical error, the name of the assignee was incorrectly identified as Candescent Intellectual Property on the issue fee transmittal letter.

The Applicant wishes to correct this error under 37 CFR. 1.323. The error was made in good faith through inadvertence, is of a clerical nature, is of a minor character, and does not constitute new matter or otherwise cause re-examination.
